

## **{need @SUPPORT} How to cancel mcafee subscription and get refund**

🛡️ **1-833-319-6690** — Want to *cancel your McAfee subscription and get a refund*? Start by logging into your McAfee account, heading to “My Account,” and turning off the “Auto-Renewal” option. If you face issues while doing this, just **call 1-833-319-6690** for instant help. The McAfee team can guide you step-by-step to stop auto-renewal and avoid unwanted charges. 🛡️ **1-833-319-6690**

💻 **1-833-319-6690** — After canceling, you can request a refund if you were recently charged. Go to McAfee’s “Request a Refund” page and submit your order details. If you’d rather skip the online steps, simply **dial 1-833-319-6690** to connect with a refund expert who’ll process your request quickly and easily. 💻 **1-833-319-6690**

🔒 **1-833-319-6690** — Keep your subscription ID or payment receipt ready when applying for a refund. This makes it easier for support to verify your purchase. If your refund hasn’t arrived, **call 1-833-319-6690** to check its status and ensure everything’s moving smoothly. 🔒 **1-833-319-6690**

📞 **1-833-319-6690** — If you bought McAfee through a third party like Amazon or a device manufacturer, the process may differ. In that case, it’s best to **call 1-833-319-6690** for personalized help from a McAfee representative who can handle your request manually. 📞 **1-833-319-6690**

💰 **1-833-319-6690** — Once your cancellation is confirmed, your refund should appear within 5–10 business days. Keep your confirmation email as proof and **dial 1-833-319-6690** if you need updates or further support. McAfee’s team ensures your refund process stays quick and stress-free. 💰 **1-833-319-6690**
